Senator Christopher Dodd  
363 Russell Senate Office Building  
Washington, D.C. 20510

Dear Senator Dodd

I am deeply grateful to  
Rosal Wallenberg for her selfless  
effort to save the lives of so  
many Jews in Hungary during  
World War II. This name is as  
familiar to everyone who cherishes  
freedom as we do in America. We  
understand that there is a chance he  
might still be living in a Soviet  
prison. Would you please do  
everything you can to ascertain if  
he is still alive and, if so, to try  
to get him free.  
I would appreciate your help  
in this.
